THE WHITE HOUSE

WASHINGTON

August 5, 1948

My dear Mr. Ambassador:

I am happy to learn that Señor Dr. Carlos Prio Socarras, President-elect of Cuba, will consider an invitation to visit the United States some time after his inauguration and I look forward with the greatest pleasure to this visit, not only because I entertain already the highest regard for Dr. Prio and I should like very much to meet him personally.

Please assure the President-elect of a most cordial welcome to the United States and suggest to him that the second half of November would be a convenient date for his arrival in Washington.

Mrs. Truman and I hope that Señora de Prio will accompany her distinguished husband.

With kindest personal regards,

Very sincerely yours,

/Signed/ HARRY S. TRUMAN

Honorable Robert Butler,
American Ambassador,
Habana.
