Operations of the Insurgents—The Powhatan at Havana.

HAVANA, Oct. 30.—Intelligence from the Central Department is to the effect that a body of insurgents, while operating on the Cienfuegos and Villa Clara Railroad, obstructed the track in such a manner as to cause a freight train to be run off. They then carried away the freight into the interior, and burned a bridge, thus cutting off communication between the two cities.

The United States flagship *Powhatan*, Admiral POOR commanding, arrived at this port to-day.
