### **The Spanish Conscription Riots—The Cuban News in Spain—A Vote of Thanks to De Rodas.**

MADRID, April 7.—The popular opposition to the operations of the Military Conscription act has not abated. Yesterday a number of men entered Seville from the neighboring villages of Camos and Santiponce with banners flying, shouting "Viva Republic," and "Down with the Conscription." They were evidently sent out to test the disposition of the people for a general rising. The rioters were promptly arrested by the authorities. Groups of people formed around the guard, and for a time it was thought that efforts would be made to rescue the prisoners. They were safely lodged in jail after some difficulty, and the crowd dispersed. The city soon became quiet..... In the Cortes today a dispatch from the Captain-General of Cuba was read, announcing the flight of JORDAN, the insurgent Commander-in-chief, the surrender of many of the rebels, and the execution of others, and declaring that the rebellion is at an end. The Cortes adopted a vote of thanks to the Captain-General, and the army, navy and volunteers of Cuba.
