Execution of the Aguero Brothers in Havana—Seizure of the New-York Mails by the Police.

HAVANA, May 14.—DIEGO and GASPAR AGUERO were garroted this afternoon. They met their fate firmly. There was an immense attendance to witness the execution....The name of the Englishman who died on Guajaba Island is supposed to have been HILL, and not O'RYAN....The Police today registered the correspondence going out to New-York on the steam-ship *Missouri*. Nothing was found of a seditious character.
