Reported Assassination of a Cuban General—The Rebellion—Important Capture of Guerrillas.

HAVANA, July 25.—It is reported that the Cuban General CORNELIO PORRO has been assassinated by his men, who had heard that he intended to surrender to the Spaniards. The Cuban chiefs FORTUN, CASTELLANOS and FRERE, recently visited Gen. CARO's camp, it is supposed, to surrender themselves. But they did not find the General, who had left for Mananagua at the head of 3,000 men, and withdrew. The *gendarmes* have captured eleven men belonging to CARLOS GARCIA'S band of brigands, who have committed robberies and outrages in the neighborhood of Bejucal. Seven were identified, and have been sentenced to death. Gen. GOYENECHÉ has arrived in Havana.
