

repaired. The cable steamer *Suffolk* is at Batabano coaling. She leaves on Wednesday to join the *Dacia* at Cayo Diego Perez, from which place both vessels will proceed to Santiago de Cuba, laying the cable. Unless some further accident occurs the cable will reach Santiago next Sunday. An English man-of-war has gone to Jamaica to procure coals and provisions for the fleet.

The New Cuban Cable—Imperfections Repaired—Probable Early Completion of the Work.

HAVANA, Aug. 8.—The imperfections in the Panama and West India Cable, recently laid across the Keys, have been
