**Surrender of Insurgent Leaders—The Republican Assembly Surprised while in Session—Escape of the Members.**

HAVANA, Feb. 20, 1871.

The insurgents, Colonel Miguel Machado and Major Demitrio Castillo and eleven men, surrendered at Puerto Principe on the 14th, Majors Lorinzo, Castilla and Ricardo at Ponce Leon on the 16th, and Captain Gonzalez at Nuevitas.

People come into the cities in such numbers to surrender that the interior is depopulated.

The troops surprised the republican Assembly in session at Mardal. The members, however, escaped, but the documents were captured.

The Prefect, Adriano Garcia, was killed at Bura-jagua.
