

August 17. 1854

Sir:

I called this morning to enquire as to a Memorial I presented to the President in the month of Oct: 1853 upon the subject of my claim for Compensation for extraordinary expenses &c. in the prosecution against Henderson, Wolfe & others for violation of the Kentucky Vow.

The Memorial was referred to You by the President; and when I had the honor of hearing from you, the report had been made by You upon the subject, or rather no opinion had been expressed; altho you informed me the subject had been considered.

I beg that you will give it Your early attention: I leave to leave the City Thursday, and will call again tomorrow.

Very Respectfully,

Lozan Henderson

Hon. Atty. Gen. Cushing.
