

I have still to act as if Henry
was here. I keep the papers still in
the watch and my writings in attendance

Proton has not been near
me to day. Indeed I have ~~not~~ heard
of him to day, at all - He is
getting into difficulty in consequence of
his connection with the Cuban
Subscribers - I hear they charge him
with getting advantage of them in
the way of matters -

Yours Truly
John A. Rankin

Wm
C. Rankin

Private

New York, June 13th 1855.

John M. C. Neen.

To, viz
Hon. C. Cushing

Relative to, viz
The Winney Expedition
