Dear Sir

This will be presented
to you by Mr. Upton to
whom I am indebted for
the information in relation to
the Magazine - He is
in any estimation well calu-
lated to pursue the enquiry

for employment in the
matter. I think it prudent
to send him down to
Mobile atalachicola
and other places, as may
be necessary to facilitate
the reports we require.
He will state to you

willing to be engaged -
