Hon Caleb Cushing.

Dear Sir.

The bearer of these lines is J H Thayer, Esq of Boston, and partner in my firm in this City. He will make a short stop in Washington on his way north, for the purpose of explaining more clearly than seems to be understood, the office of the Seizure of the African Slave Ship. I wish you would be so kind as to introduce him to Mr Marcy, that he may give him such information as he may require on this subject.

I had the honor of addressing a few lines yesterday, in answer to your esteemed favor, which will be received by the habely mail.

I remain with much respect

Yours very Obedt Servt
Wm Lloyd Garrison.
