MEMORANDUM FOR

MR. BUNDY

SUBJECT: Cuba Meeting - Wednesday at 5:00 PM in the
Situation Room

1. Attendance - The following are expected to attend the meeting: Probably Alexis Johnson, Tom Mann, John Crimmins, and possibly one other from State; probably Secretary McNamara, Cy Vance, and Maxwell Taylor; John McCone (may be a little late) and Dez Fitzgerald; the Attorney General; Under Secretary Fowler; FDR Jr.; and Don Wilson. This makes a total of 12, or possibly 13.

(a) Ralph Dungan will be coming to the meeting. Do you want anyone else from the White House? Bill Moyers? Jack Valenti?

2. Timing of Meeting - I understand that there is a reception at State for Ted Sorensen on Wednesday from 6:00 PM to 8:00 PM; I assume that many of the participants of the meeting will be going to the reception. Do you think the meeting will be more than about an hour? If it is, I could try to back it up a bit.

3. Agenda (attached) - I have talked to Tom Mann and John Crimmins and have shortened the agenda somewhat.

As I see it now, we should try to get some definitive discussion on the handling of the OAS problem; we have certainly talked about the issue plenty in the past and it is coming up on us fast. The proclaimed list is another story. While I think an informed exchange of views on the proclaimed list will be most helpful, it should be noted that there is a considerable amount of research still going on in the Government.
