RE: MOVIMIENTO INSURRECCIONAL MARTIANO

Previous investigation has reflected that during 1967, [redacted] was associated with the membership of two Cuban exile terrorist groups in the New York - New Jersey area. (Poder Cubano and the Cuban Nationalist Movement.) During May and June, 1974, [redacted] organized the Movimiento Insurreccional Martiano (Martian Insurrection Movement) (MIM) in the New York - New Jersey area. During the Fall of 1974, he moved his residence to the Miami, Florida area, and became involved in the Frente de Liberacion Nacional De Cuba (Cuban National Liberation Front)(FLNC), in Miami, while still maintaining his leadership of the MIM.

The FLNC is a Cuban exile terrorist organization which has claimed credit for bombings in the United States and Latin America.

On September 16, 1975, [redacted] who has furnished reliable information in the past, advised that [redacted] was affiliated with Accion Cubana and the FLNC.

On February 13, 1976, [redacted] who has furnished reliable information in the past, advised that [redacted] along with [redacted] and [redacted] VALENTE HERNANDEZ, [redacted] and [redacted] are reorganizing the Movimiento Nacionalista Cubano (MNC), a Cuban exile anti-CASTRO group previously headed by [redacted] in Miami, Florida.

Contact with Cuban sources acquainted with individuals involved with MIM during February and March of 1976, failed to develop any further information.

On February 23, 1976, [redacted] was contacted at his residence by Special Agents of the FBI. He stated that he has been inactive with any anti-CASTRO organization for the past eight or nine months and has devoted himself full time to his business and his family. He further stated that he had not attended any meetings until February 22, 1976, when he attended a gathering held at an office of Alpha 66 for the purpose of honoring the anniversary of the organization MIM. He stated he has not travelled outside

Nota:

Jamás hube de pertenecer a esas organizaciones, ni tenía vinculos con ellas. A fabricar le crucé en la Prisión de Dale (D.C.I.) en 1986. A Creps en el Work Camp de la Prisión de (D.C.I.) en 1990. Ambos me visitaron en esas fechas... Yo no estaba reorganizando ningún movimiento. Por esa fecha era un profesor preparando una documentación para abarcar el país... Siempre he estado al tanto de los bombardeos indiscriminados.

of the greater Miami area and has attempted to disassociate himself from any Cuban movement to the point that he even changed his residence from Hialeah, Florida.

He still maintains an interest in seeing the downfall of FIDEL CASTRO but does not believe in the placing of bombs in the United States.

Miami sources who are close to the anti-CASTRO groups in Miami have been thoroughly canvassed and have failed to develop any information to indicate MIM has joined forces with the MNC of [REDACTED] or that MNC ever reorganized or became active.

MIM is presently inactive in the Miami, Florida area and is considered an inconsequential group by the Cuban exile community, with little or no membership, according to [REDACTED]
