Re: Article on Orlando Bosch in New Times by Blake Fleetwood.  
6 hr. interview with Bosch. Traces Bosch's involvement in anti-Castro terrorism.

Claimed he and Luis Posado (sic) among 6,000 Cuban exiles on CIA payroll. Felt betrayed by Kennedy administration and CIA after Cuban Missile crisis and subsequent USG reduction in anti-Castro activities.

Went underground after Jose Elias de la Torriente assass. which he praised but on which he disclaimed responsibility and began to direct the "internationalization of the war." Felt terrorists should operate from Central and S. Amer. bases, his goal being to forge alliances with friendly govts. of Nicaragua, D.R., C.R., Venezuela

Luis Posada  
Sec. 6 Serials

Made gov. agreements starting '74, promising no more terrorist acts in Venezuela if no WCL officials of Cuban regime allowed in Venez.

Later made contacts in Chile with Right-Wing AA party and conspired to kill 2 Cuban diplomats who disappeared 8/9/76 and haven't been heard of since.

Carlos Rivero Collade, former Cuban exile, claims Bosch trained by Chilean National Intelligence Dep.

Bosch refused to take personal credit for bombing within US because of FBI "heat" but boasted that CORU - coordination of United Revolutionary organization had been responsible for over 50 in Miami, NY, Venezuela, Panama, Mex, Argentina

'76 - New Deal - assumed name, lived in Venezuela; could organize terrorist alts for anywhere except Venezuela, ER, DR. Things going well until Letelier murder, set up by Ricardo Govaes Navarette.

Fleetwood claims Cuban govt. claimed Arile hired Bosch to kill Letelier and Bosch handed CORU money for assassination. His group didn't assassinate; wouldn't say who did. Fleetwood says conf. report. Bosch said at arrest that "Novo brothers were involved."

U.S. Amb. Vaky has asked Legat and CIA Station Chief, Caracas, to request this specific HQ advise what connections, if any, FBI and CIA have had with persons involved in one way or another with investigations of captioned matters. AMS had been told by Legat that source was former source of info of FBI, Miami, and has now been apprised that \_\_\_\_\_ was paid informant of that office. He is aware that \_\_\_\_\_ and \_\_\_\_\_ have been liaison contacts of Legat but have never been paid informants of the Caracas office.

Amb. has nevertheless asked that Legat provide Bureau with following list of names and request Bureau to advise what, if any, relationship the FBI may have had with them in the past:

- Orlando Bosch Arila
- Orlando Garcia Vasquez
- Ricardo Gorales Navarrete
- Freddy Lupo
- Hernan Ricardo Lozano
- Luis Posada Carriles
- Oleg Gueton Rodriguez
- Francisco Nunez
- Celso Toledo

Amb. is particularly concerned about reported stories appearing in "Miami Herald" identifying Ricardo Gorales Navarrete as former CIA agent whereas CIA Station Chief has no such information.
