

A F F I D A V I T

BEFORE ME THE UNDERSIGNED AUTHORITY, personally appeared VALENTIN HERNANDEZ, who first being duly sworn deposes and says: I, VALENTIN HERNANDEZ, am presently incarcerated at Dade Correctional Institution, hereby state that the following is true and correct: I give this statement freely without any threats to my person and without any promises of any reward from anyone.

I first wish to refute certain claims, assumptions and allegations leveled against me by some of the news media. It was reported that the victim of this crime, LUCIANO NIEVES, was a pacifist who was just trying to peacefully re-establish ties with the head of communist Cuba, FIDEL CASTRO.

In reality, Mr. Nieves was a ex-Castro captain of the Cuban army who had a long and personal involvement with Castro's regime. He was a communist agent working for the tyrant government of Cuba by exposing Castro's Goals in the United States of America, i.e. the coexistence by lifting the embargo upon Cuba. This statement can be strongly inferred from the actual fact that some of Mr. Nieves's close allies are Castro's spies, including, Salvador Aldereguia Or, who also happen to be a witness against me, and who was arrested by the F.B.I. as being a spy and a Cuban communist agent. See Exhibit A . /1.

It has also been widely and erroneously reported that I am a terrorist. This statement is a lie and can only be attributed to the fact that I belong and participated in an anti-communist organization called: Accion Neorevolucioria Cubana Pragmatista, which is NOT a terrorist organization but rather an organization devoted to stop the spread of communist in the American continent specially Cuban communist. The real terrorists are Nieves' close allies such as: Salvador Aldereguia Or, Napoleon Bilaboa, Miguel Camalain, Marcos Paul Correa, Max Lesnick, Duney Perez Alamo, Avilio Correa, Ricardo Linare, Etc. See Exhibit B .

In the past I have been in the best position to head off Communist advancement within our community because of my close ties with the Cuban community that not even the intelligence sources of the United States could easily infiltrate. My position is identical to the United State of America passed and current policies, towards the spread of communist worldwide. To reiterate I am not a terrorist. Furthermore, terrorists are: William Salon, another State Prosecution witness against me. Salon was convicted for bombing a Hialeah Electric Factory in 1969, in a case not connected to any revolutionary anti-Castro organization, wherein Salon lost his right hand in a malfunction of a Hand-Grenade explosion during the criminal act. See Exhibit C .

The lead investigator surrounding my case Detective Fabio Alonso, and several other Detectives from Metro Homicide involved in the case such as: George Pontigo, Mike McDonald, Charles L. Rivas, Steve Jackson, Steve McElveen, were all corrupt officials involved and engaging in Civil Rights Violations, Bribery, Extortion, Narcotics Trafficking, See Exhibit D . For their involvement. At all time during my case these officers were engaged in their corruption and organized crime, they were accused of working together between July 1977-December 1979 and converted the Homicide Section into a Racketeering Enterprise, My trial was in December 1978. See Exhibit E .

In addition, it was not reported by the Miami Herald that the victim Nieves was carrying a fully-loaded 9 millimeter semi-automatic pistol in his automobile at the time of the incident.

Hardly a tool of a pacifist individual. Furthermore, Mr. Nieves was a provocative agent of Cuba that was involved in several altercations in public places. i.e. Picketing for Unions, and Fighting in restaurants, Bars, Etc. See Exhibit\_\_\_\_\_.

As a result of the Falsehoods, mistruths, unreliable allegations and outright lies perpetrated against me, and the acts that I am a victim of a criminal Conspiracy by several members of the state judicial system and by several members of the D.G.I., Direction General of Intelligence of Communist Cuba ... I do hereby voluntarily request a complete investigation by the F.B.I. by which I will answer under oath and by penalty of perjury, all questions presented to get to the truth of the subject matter contained in this affidavit.

I feel that I am a victim of hysteria that has dominated and diluted the Miami community during the 1970's with its terrorists activities. I feel I should not carry the burden of the community outrage as a scape-goat for the actions of the real terrorist, much of them Castro's Communist agents.

I feel that the Miami Herald in its one-sided grossly opinated articles has sought to persecute me for the events that I am not at all responsible for. The Miami Herald's articles have motivated other articles in other news papers to follow the lies, and implications of the Miami Herald.

In conclusion, I VALENTIN HERNANDEZ, apart of the Nieves case for which I am currently serving time (time for which I do not deserve to continue serving) and for which I will not go into detail within this affidavit, but I am available to discuss, to prove and present the truth of my allegations of the criminal conspiracy against me. With all due respect I demand that I be interrogated by the Justice Department or the F.B.I. in connection with all political assassination that occurred in Miami or any state of the United States of America from that date of my entry to the United States to date, including, any knowledge of any attempt assassination or political assassination.

I am willing to volunteer to take a poly-graph test in any political assassination that occurred in the State of Florida, or any State of United States of America. Furthermore, to satisfy any sketism, I also volunteer and request with all due respect demand that the Federal authorities submit myself to true-serum (sodium Penethol), and will undergo any means of determining if a person is telling the truth or not.

In the past I've been accused of being a terrorist, so, I volunteer myself to be interrogated or to be subjected to any poly-graph testing to determine if I have associated with any bombings or any terrorist activity that has occurred in Miami or any state of the United States of America at any time since May 14, 1961 in which I arrived in this Country.

Furthermore, to stop any comments or assumptions, I wish to be interrogated as to any questions the Federal authorities wish to submit to me concerning any motives that are not politically connected (because I know how the communist work). In the case that they anonymously accuse me to the authorities, which they are apted to do, I request to be interrogated and submitted to testing in any case linked to me, concerning any person that has been killed, no matter who he is.

I want to clear myself and to prove that I had no participation nor prior knowledge of any person that was killed. Further, it is my intention to prove that I've never shot or killed anyone in my entire life or in any other ways of killing a person

that I might be suspected of.

I fully understand that a false statement or answer to any of the above will subject me to penalties of perjury.
