Miriam,

I'm writing you instead of calling because I figured that in lieu of what happened you wouldn't be too receptive to talking to anyone from the media, but this letter is intended to give you my personal support. I personally found it very offensive & tabloid style journalism what channel I did to you, in my opinion what

may or may not have  
occured in your life  
is not an omy way related  
to your fight for your  
sachis freedom nor  
in your role as family  
spokes person. It is  
action like the ones taken  
by chomel & which  
exbarass me & cause  
me to shudder at my  
profession. You have been  
my open & frank with  
the press, & my kind  
in always being

accessible to us.

I personally can not understand what motivated Ch 4 to make that disclosure, but I hope it does not taint your opinion of all of us.

When I told you I was sincerely happy for you & your family I meant it, I am truly disgusted by Ch 4's actions, like us

Ch 6 feels it was  
dirty & slimy journals.

If I can do anything  
to help you, please

do not hesitate to  
ask. & remember  
old stories pass,  
people always forget.

Best of Luck

Jessica C. Aguirre
