a good bus this year. are favorably regarded as a conservative slow going house & in good standing & cr. 4890.

400. Dec 14. 76. They state that they are worth 150 to 200% including private means outside. C. owns R.E. in Cuba worth 12% and an interest in a plantation worth 20%, which, under the hammer, would bring 15%, the remainder in the bus. They are spoken of as men of excellent char & reputation, honorable &c, but their ppy being abroad we have no means of ascertaining its value, and the trade here est the means of the firm at from 75 to 100%, with 20% We think this about correct. 218
