

arranged them in their respective cases.
My cabinet can also stand there. The
third room on the first floor we will
D.D. use as a dining room. The
front room upstairs, I presume Eva will
use as her room. and I would be glad
if it could be put in order for us,
as we expect to come down to Suvaiah
just after our marriage. - I would
also be glad when all the carpets
put down at once. The Carpet Cutter
at D & S Lathrop, promised me to
attend to putting them down as soon
as he should be required. Since

all necessary whitewashing done. - and
I also enclosed him \$100. to defray ex-
penses connected with removal. - I will
send any more should it be needed.

be relieved from the Lancers Service
on the 15th Inst. - Do my dear mother
give just such directions as you may
deem best. I am but too happy to
think that you will be there. - I hope to
be able to spend at least a day in
Suvaiah before going up to Augusta.
On what day will you go to Augusta?
I trust my dear mother, that you will
not deny us that great pleasure, and
