

Mass Meeting in Fidelity Market Last Night

Speeches by Dr. Gustav Brucci and Hon. F. Haasacker.

SHORT LETTER FROM H. A. HATHAMANN.

The People's Party realization meeting called for in Fidelity market space... The meeting was called to order by Mr. Geo. Harries...

The meeting was brilliantly illuminated with gasolene and gaily decorated... The meeting was called to order by Mr. Geo. Harries...

The first speaker of the evening was Dr. Gustav Brucci, who being introduced by the Chairman, spoke as follows:

Those who have been so kind to attend to me this evening for the purpose of listening to an elaborate speech from me, will, I may regret, be very much disappointed... I do not even understand it to favor my speech...

It is true that Democracy was to me a dear home long as it became a shelter for the support of the Constitution, and of liberty... I do not see how it can be used for the purpose of starting a true reform...

It is true that Democracy was to me a dear home long as it became a shelter for the support of the Constitution, and of liberty... I do not see how it can be used for the purpose of starting a true reform...

It is true that Democracy was to me a dear home long as it became a shelter for the support of the Constitution, and of liberty... I do not see how it can be used for the purpose of starting a true reform...

It is true that Democracy was to me a dear home long as it became a shelter for the support of the Constitution, and of liberty... I do not see how it can be used for the purpose of starting a true reform...

The Democratic Party has recovered its triumph in the struggle for the people's vote... To do a new party, first from the people, is not a just and more intelligent class of col-

To accomplish this the Liberal party must first be broken... The Liberal party is not a party of the political organizations and the corruption in the past...

For those reasons the danger for the new party of falling into the hands of corruption is especially diminished... The Liberal party is not a party of the political organizations and the corruption in the past...

In both parties realising has become a fact... The Liberal party is not a party of the political organizations and the corruption in the past...

It is evident to every thinking citizen that the political of both parties has been in a long time... The Liberal party is not a party of the political organizations and the corruption in the past...

Do not be discouraged at the small beginning of this movement... The Liberal party is not a party of the political organizations and the corruption in the past...

The People's party will avoid that pardonable error of the movement of last year by insisting on firm opposition party, without regarding the former political creed of those who are willing to join this party...

mann was elected after which the meeting adjourned.

LETTERS OF H. A. HATHAMANN.

To Mr. George H. James, Member of the Central Executive Committee... In accordance with a previous arrangement which cannot be recalled...

I suppose that I can not be blamed that I have not been found an original and original... I do not know how the Central Executive Committee...

I will not indulge in those words that allow for my opinion... I do not know how the Central Executive Committee...

I have two elements in the ruling party... I do not know how the Central Executive Committee...

My Democratic aim, will you say that the People's party... I do not know how the Central Executive Committee...

I am a member of the People's party... I do not know how the Central Executive Committee...

It is true that Democracy was to me a dear home long as it became a shelter for the support of the Constitution, and of liberty... I do not see how it can be used for the purpose of starting a true reform...

It is true that Democracy was to me a dear home long as it became a shelter for the support of the Constitution, and of liberty... I do not see how it can be used for the purpose of starting a true reform...

It is true that Democracy was to me a dear home long as it became a shelter for the support of the Constitution, and of liberty... I do not see how it can be used for the purpose of starting a true reform...

It is true that Democracy was to me a dear home long as it became a shelter for the support of the Constitution, and of liberty... I do not see how it can be used for the purpose of starting a true reform...

of the original must be always subordinate to the general will.

It is my firm conviction that indeed men to leave the People's party... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...

I do not know how the Central Executive Committee... I do not know how the Central Executive Committee...
