

For Justice of the Peace—'Squire Rowekamp Consents to be Candidate.

CINCINNATI, March 26, 1872.

The undersigned citizens of Cincinnati, irrespective of party, holding that honesty and capacity should be the only guiding star in the selection of our public officers, and believing that the offices ought to seek the men, not men the offices, do hereby request Esq. F. H. Rowekamp to become a candidate for Justice of the Peace. We well know that Mr. Rowekamp does not seek the office, but he is so, that if elected without his personal endeavor, he will accept of it. We therefore call upon him to consent to the use of his name, and then we shall on the coming election day use our influences to have him elected to the position for which he is so eminently qualified, and which he has formerly filled to the satisfaction of our entire community:
