

Unexploded Bomb Found At Russian Legation

An unexploded bomb containing three pounds of dynamite was discovered last night in the garden of the Russian Legation at F and 15, Vedado.

Personnel of the legation discovered the bomb and notified the police at about 10:00 p. m. Explosives expert Sgt. J. Barrio, of the police force, took apart the bomb which apparently had failed to explode because the fuse went out. The bomb consisted of an 11-inch piece of 3-inch diameter pipe with three pounds of dynamite. It was not immediately determined how the bomb came to be there. Police began an investigation.
