## ASKS SENATE TRY BATISTA Cuban Representative Charges

President Misused Funds By Cable to THE NEW YORK TIMES.

HAVANA, Dec. 12-A motion

proposing that President Fulgencio Batista be tried by the Senate for

a violation of the Cuban Constitution was presented to the House yesterday by Eduardo Chibas, Representative of the Cuban Rev-

olutionary party. The President has disbursed

public funds "capriciously by decree," according to Senor Chibas.

This, he averred, is a usurpation of the powers of Congress and a

direct intervention in politics.
