

CUBAN CABINET SHUFFLED

Batista Names New Commerce and Education Ministers

Special Cable to THE NEW YORK TIMES.

HAVANA, March 31—President Fulgencio Batista designated Minister of Commerce Anselmo Allegro today to hold the portfolio of Education and appointed Dr. Edgardo Buttari as Minister of Commerce.

The resignation of Dr. Carlos Marquez Sterling two days ago left the portfolio of Education vacant. Dr. Buttari is a career diplomat who had held the Commerce post in the administration of Federico Laredo Bru.
