Batista Fills Vacancies Resulting From Split in Coalition

Special Cable to THE NEW YORK TIMES.

HAVANA, May 31—President Fulgencio Batista today appointed José Texidor Minister of Public Works and Senator Elio Fileno de Cardenas Minister without portfolio.

These posts were vacant because of the resignations of Geronimo Acosta Recio and Dr. Maria Gomez Carbonell, followers of Vice President Gustavo Cuervo Rubio, who recently broke away from the Democratic party to form an organization in opposition to the government coalition.

Señor Texidor is a teacher in the Pinar del Rio High School and is a Democrat. Señor Fileno is a Democratic Senator from Santa Clara Province.
