Dear Mr. Wieland:

In reply to our letter of December 1, 1958 requesting information about an accident involving a Viscount aircraft of Compania Cubana de Aviacion, you advised on December 22, 1958 that the statement of Osiris Martinez, a surviving passenger, is part of the State Department's classified records. Since this is not available is there other material, such as copies of press releases issued by the Department, which you can provide? If so, please send us a copy of the available documents.
