Secretary of State,
Washington, D. C.
A-510, April 18, 1949.

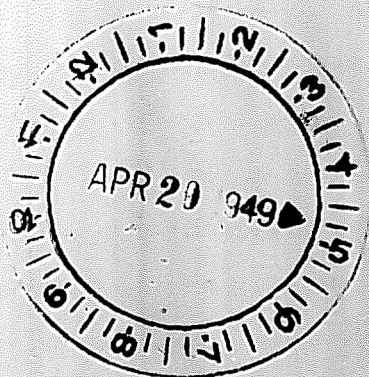

For 20,000 Rafael ("Bill") ARBUZA, intimate friend President Priu, has acquired option to purchase controlling interest in Expreso Aereo Inter Americana from estate of Heering Howe. Priu reported to be interested in development of Expreso but he is apparently not putting any money in airline whose CAB permit has expired or will expire shortly. It is understood Expreso will shortly be granted free use Cuban Army Airport at Camp Columbia.
