DIVISION OF BIOGRAPHIC INFORMATION

SUBJECT: Dr. Alberto Campa y Roff Given Personal Rank of Ambassador and Designated Under Secretary of State for Administration.

By Presidential Decree signed July 2, 1953, Dr. Alberto CAMPA y Roff, son of the Minister of State, was promoted to the rank of Ambassador and designated Under Secretary of State for Administrative Affairs, a new office created during the Cabinet meeting July 2.

CONFIDENTIAL

Comment.

Dr. Alberto Campa was a diplomatic secretary when his father became Minister of State at the time of Batista's coup March 10, 1952. Shortly thereafter Campa received the title of Minister and was his father's "Jefe de Despacho."

Under Secretary of State, Dr. Gonzalo GUELL, has been given leave. According to the Ministry of State, he may now be appointed Under Secretary of State for Technical Affairs. In view of the foregoing developments, it would not be surprising were Guell to be appointed Ambassador to another country or international organization. According to the April 1953 Directory of the OAS, Guell retains his title as Cuba's Ambassador to that organization.

For the Ambassador:
