Miss Taylor requested information on Eliseo Riera-Gómez, who has represented himself to Congressman Wickersham's office as a member of the staff of the President of Cuba. I told Miss Taylor, Mr. Riera-Gómez is an American citizen connected with former President Prío and registered as such under the Foreign Agents registration Act. I later told Miss Hughes that the information the Department has is that included in the subject's Foreign Agents Registration, about which inquiries can be made to Justice Department, Mr. Lenven, x-271.
