

VISIT CUBA WITH THE CCC

The Círculo de Cultura Cubana Inc. (CCC) is an organization which promotes cultural and educational exchanges with Cuba. Among other activities, we organize specialized trips to Cuba on various subjects.

In June 1980, we co-sponsored (with the Cuban Ministry of Culture) a seminar on 'Culture, Literature and Literary Criticism in Contemporary Cuba.' In September 1980, we sponsored the participation of a group of psychologists to the First International Seminar on Psychology in the Community held in Havana. For 1981, we are planning trips on art, culture in general, architecture and film/theatre.

We can help you plan a trip to Cuba to satisfy your interests and those of your colleagues. For more information write to us at Círculo de Cultura Cubana Inc. G.P.O. Box 2174 New York, New York 10116.
