SUBJECT: SPECIAL INFORMATION FROM DETECTIVE BUREAU

Attached to this report is a report from Sergeant MARCUS of the Detective Division in reference to a call received from the F.H.P.

This Agent contacted Corporal GRACEY of the Florida Highway Patrol and asked if he would contact PAUL QUINCY at Stephens Van Terminal, N.W. 27th Avenue and 95th Street. Corporal GRACEY called back and stated QUINCY knew nothing more than what was in the report.

I attempted to find JOHN A. STOVALL, who was mentioned in the report as the man attempting to obtain a driver. As of this time I am unable to find him. Search for STOVALL will continue.

MEMORANDUM

TO Criminal Intelligence

DATE June 16, 1959

SUBJECT Special Information

FROM Sgt. H. Marcus

1. Received a call from TROOPER CANNON, FHP, at 3:50AM this date in which he related to me that he had had a call from one "BULL" QUINCY, attendant at Stevens Van Terminal, NW 27 Ave and 95 St reporting the following:
 - a. A truck driver whom he does not know but who has been around for the past two or three days waiting for a load out, driving a large size International truck, got a call from a man who gave the name JOHN A STOVALL, but no address or phone number. This man, STOVALL, wanted to hire this driver and his truck for a trip to TAMPA and return to MIAMI; purpose of the trip is believed to be to pick up a load of firearms. The above mentioned truck driver refused the trip, and is supposed to be heading out for Jacksonville the morning of 6-16-59.
 - b. Trooper Cannon called Quincy back and tried to get more information on this but Quincy claims to know no more about it, does not know the name of the driver, where he is from, etc. It is not clear whether the unnamed driver got a phone number to contact Stovall or not, but apparently would not admit it to Quincy if he did
2. When he originally called the FHP office, Quincy requested that the information be relayed to Cpl. Gracy.
