Dear Mr. de la Cova:

Certainly we are glad to have you in Memphis. You and your family are most welcome.

I wonder if perhaps I could be of help; I'd certainly like to try.

I've tried to call you on the phone, but could not find a listing. At your convenience, would you call me on JA7-7747 or stop by the office.

Good luck in our city; and certainly you should be proud of your wonderful family.

Most sincerely,

Henry Loeb

Dear Mr. Delacova:

All of us in Memphis are sorry, of course, that you have left us.

Anything comes up after you leave on which you think I can be of service, please drop me a line.

I would like to reiterate to you my feeling of closeness to each Cuban, with whom we join together in the common fight against communism.

Good luck in St. Louis.

Sincerely,

Henry Loeb
