
THE WAR IN NEW MEXICO:

A Rebel Camp Surprised—Capture of a Large Amount of Munitions—Camp Equipage, &c.

KANSAS CITY, Mo., June 16.—Advices from Fort Scott, of the 13th, state that a detachment of the 2d Ohio cavalry arrived at that place with 1000 head of fine beef cattle, and 800 mules and horses taken from Col. Coffee's command on the morning of the 4th. Our forces 5000 strong, in company with Robb's 2d Indiana battery, under Col. Charles Doubleday, made the attack at an early hour of the 4th, completely surprising the enemy. A part of Coffee's command is made up of Indians. All the munitions, camp equipage, &c., fell into our hands. A regiment of Union Indians are expected in a day or two. They are to be newly armed and equipped preparatory to marching South.
