A RUDLER MEETING was held at Albany, Ga., on Friday last, and the following resolutions were passed :

*Whereas*, We have learned with deep regret, that Col. A. F. Rudler, a citizen of Georgia, and universally respected as such, and loved by all who knew him, is now (through the unwarrantable interference of Capt. Salmon, of the British man-of-war Icarus) a prisoner in the mines of Honduras; therefore, be it

*Resolved*, By this meeting, that we heartily condemn the course of Norrel Salmon, captain of the Icarus, in arresting and delivering over to the Honduras authorities Col. Rudler, thereby assuming a protectorate over the State of Honduras, contrary to the Monroe doctrine of this country, and that we hereby respectfully yet earnestly request his Excellency the President of the United States, to interpose his kind offices with the Government of Honduras for the release of Col. Rudler, now a convict and imprisoned in the mines of that country.
