

TERRIBLE MASSACRE IN MEXICO.—The Brownsville Flag of the 27th ult., has the following in reference to the reported massacre of 400 of Vidaurri's men, taken prisoners by Gen. Miramon in the late engagements before San Luis:

In the engagements between the Re-actionist forces and those of Vidaurri, 400 of the latter's men were captured by the former, who, after seeing them disarmed and taking from them their most valuable equipments, ordered his second in command to take them from his sight and do with them as he thought fit. This inhuman wretch, who well knew what would ensue from such a course, placed them in the hands of soldiery, who were just then in a beastly state of intoxication. They fell upon the captives, who were entirely defenceless, and a horrible massacre followed. At the end of this terrible scene, the lifeless bodies of *four hundred* human beings were found stretched upon the ground, mangled and weltering in their blood, a patent sacrifice to the holy cause of liberty.

The Jackson, (Miss.) Eagle of the 28th ult., learns that Col. S. A. Lockridge will sail by the next steamer, Gen. Rusk, for Mexico, to tender the Liberal party, which was recently defeated under Gen. Vidaurri near San Luis Potosi, substantial aid in guns, munitions of war, &c., &c.
