

COLONEL B. A. LOCKRIDGE.—The editor of the Indianola (Texas) Courier recently had a conversation with Colonel Lockridge, in which the latter stated that he considers himself badly treated by the Walker-Hennington party, and that he has facts in his possession which will present the matter in controversy in a very different light from that which has been presented to the public. It is his intention to publish these facts, for his own vindication and that the public may be acquainted with the true history of matters pertaining to the several Nicaraguan expeditions. After a short visit to his father, at Gonzalez, he will proceed to New Orleans for the purpose indicated.
