

Petition to Stop Illegal Immigration

**To the Honorable Donald Rumsfeld
United States Secretary of Defense**

Whereas, there are now between 8 and 11 million illegal aliens in our nation and included among them are terrorists, drug smugglers and dangerous criminals;

And whereas, the first responsibility of government in a war on terrorism is securing U.S. borders;

And whereas, cases of contagious diseases from abroad are rising because of transport by legal and illegal immigrants;

And whereas, taxpayers are being forced to pay for the free health care, education and other welfare programs being given to illegal aliens;

And whereas, those tax dollars could be given back to U.S. taxpayers or used to keep our borders secure;

Therefore, I petition you to station U.S. military forces on our nation's borders in order to keep illegal aliens and terrorists out of our country.

Signed _____ **Print Name** _____ **City** _____ **State** _____
