
James Redpath, Esq.

We were right well pleased to take this "abolitioner" by the hand again, in the field where he won so many laurels. He still retains his connection with the *Missouri Democrat*, as special correspondent. He arrived in Lawrence this week looking as if he and beefsteak had not been strangers of late. * * * *

* * We understand he contemplates publishing a paper at Kalamazoo, Michigan.—
Herald of Freedom, 10th inst.
