[L]t Col. Titus, the ruffian of Kansas, is, according to report, to exhibit his prowess on another field. A letter from Leecompton says that he has received a letter from Gen. Quitman, of Mississippi, inviting him to leave Kansas and take command of an expedition for Central America, and that two hundred and fifty thousand dollars has been or will be provided for the object contemplated—the conquest of Central America and more slave territory. The offer will probably be accepted.
