

COL. TITUS.—Col. Titus, of Kansas celebrity, is expected to arrive in the city to-day with 150 emigrants for Nicaragua.

It is suggested that a mass meeting be held at the Arcade to-night in aid of the glorious cause of Anglo-Americanism in Nicaragua. We should be pleased to hear Col. Titus and Major Lilly, (the latter is now here at the head of a band of emigrants) touching the absorbing subject of Walker and Central America.
