#### KANSAS MEETING IN ST. LOUIS.

## CONGRESSIONAL.

St. Louis, Aug. 25.—Reliable intelligence from Kansas to the 20th states that Lecompton had not been attacked yet by Lane's party, although hourly expected. It is said the abolitionists number 2,000 strong in the territory, and that they are preparing to fortify Lawrence in case retreat to any particular point may be necessary. Immediately after the attack on Col. Titus' house, in which skirmish Titus was wounded, one man killed and 19 taken prisoners, Shannon went to the camp of the abolitionists and exchanged the prisoners taken at Franklin for those taken at Titus' house. It is reported that four companies of United States troops are near Lecompton, whose presence it is thought will deter further attacks by Lane's party.
