FROM 
D. Benitez, Officer
Terrorist & Security UnitSUBJECT FBI Information Request
on Milian Bombing

The following names are a compiled list of the persons that should be subjected to polygraphic examination, as requested by S/A G. Cannon, FBI, Miami, the reasons being:

- 1) Actual resistance to original polygraph test
- 2) Original polygraph test indicative of deception
- 3) Original polygraph test inconclusive
- 4) Allegations and investigative leads brought the investigation to some persons involved; in order to resolve doubt, polygraph testing should be administered.

The following persons failed the original polygraphs, tests indicating that deception was the cause (prior knowledge or actual involvement in the bombing):

1. Jorge Luis Hernandez - WQBA employee
2. Julio Enrique Mendez - " "
3. Jose Antonio Garcia - " "
4. Alfredo Monroy - " "
5. Mario Frank Ruiz - " "
6. Hector Del Sol - " "

The following persons gave inconclusive polygraphs due to prior consumption of medication:

1. Aleida Leal - WQBA employee
2. Jose Cabrera Riesgo - WQBA employee

The following persons have shown up as involved in the overall conspiracy to bomb Milian and should be polygraphed if possible as many indicators point to their complicity:

1. Rafael Villaverde
2. Maximiliano Lesnik
3. Felipe Rivero Diaz
4. Eulalio Francisco Castro
5. Jose Carlos Prado

The following persons should be polygraphed due to their actual involvement in the making and placing of the bomb in Milian's car:

1. Pablo Gustavo Castillo AKA "Tavito", due to his failing prior polygraph test conducted by the FBI.
