BODY OF GENERAL AGUILERA LIES IN STATE. Great Demonstration Last Night Upon Arrival-Services To Be Con-

York.

From the depot to the Cuban Club the hearse which bore the remains was excerted by the local company National Guard of Florida and by the marines of the Cuban Battleship Yara, which is to take the remains of General Agullera back to Cuba. At the club several thousand people had gathered and the throng was hushed in reverent silence as the body was brought inside to the accompaniament of a bugle call. The casket was placed in the center of the room, surrounded by candlebra on which flamed many candles.

the balconies and stage of the build-were trimmed in black, and on the ge were arranged the banners of different Cuban, Spanish and Ital-societies of the city. On the stage the foreground was the coat of arms

free, and behing the flags of the leading the world. The Cuban flag over the casket itself, and emblems of all l

draped over the casket its palms and floral emblems of surrounded it. There were glant wreaths of great beauty.

"Ing the placing of the body of the yara on board the Yara salutes being the forti-

t of Cuba, we of Cuban in New

the cause of Cuban freedom, dying in poverty in New York at a time when Cuban independence seemed far away. That was years ago and the expressed wish of the General that his body should rest on Cuban soil when his country should take her place among the nations of the world is now about to be carried out. The body of General Aguilera arrived last night over the Atlantic Coast Line Railway, having come in a special car from New York.
