

GENERAL NEWS.

THE FRESHET.

PHILADELPHIA, Oct. 11.—The rain has not caused another freshet in the Schuylkill as was feared. During yesterday 150 canal boats were towed around to Delaware for fear that they might be carried away by the flood against the Market street bridge.

DECORATED.

The Cuban Junta's headquarters decorated with flags in honor of the anniversary of the Cuban revolution.

Flags are displayed at half-mast to-day in respect to the memory of ex-President Pierce.
