Important Insurrectionary Documents Intercepted—The Revolution in Spain the Work of Cubans—Departure of Troops for the Seat of War—Insurgents Suing for Pardon.

HAVANA, Oct. 19, 1869.

The *Diario de la Marina* to-day publishes three important documents, intercepted in their passage through the island, which, if true, prove that the republican rising in Spain is the work of the Cuban insurgents.

An additional detachment of troops was to-day sent to the seat of war.

Twenty rebels have presented themselves to the Spanish authorities at Cienfuegos and asked for pardon.
