

COMMODORE HIGGINS AND THE JUNTA

The following letter has been received by Commodore Higgins from the Cuban Junta.

NEW YORK, Nov. 12, 1869.

EDWARD HIGGINS, Commodore Cuban Navy:—

SIR—The Cuban Junta, considering the situation of the Cuba in Wilmington and the want of any other man-of-war at present, request you to acquaint the officers under your command that they are honorably discharged, thereby confirming the verbal communication made to them at Wilmington by the representatives of the Junta that they (the Junta), will be happy to utilize their services in the future. I remain, sir, with the greatest consideration,

MIGUEL D'ALDAMA, President.
