

Mrs. Isidora Clark will give a series of concerts in Washington, Baltimore, Philadelphia and the other cities of the Union, under the auspices and in aid of the fund of the "Junta Patriotica de Cubanas" of this city. The high artistic taste of Mme. Isidora Clark and the mission of mercy which has induced her to interest herself in this cause must largely add to the fund of this society, which is devoted to relieving the sick and wounded of the patriot army of Cuba.
