
A CARD FROM THE JUNTA OF CUBA.

NEW YORK, July 31, 1898.

TO THE EDITOR OF THE HERALD:—

The Central Republican Junta of Cuba and Porto Rico begs to state that all the reports published in the New York Tribune and Evening Post and other newspapers about dissensions among its members, change in its presidency and appointment of Mr. J. M. Macias are utterly false.

The office of the Junta continues at No. 11 Broadway as heretofore. J. F. BASONA, Secretary.
