### A SINGULAR PROCLAMATION—OFFER OF FUNDS BY THE CLERGY—RE-ENFORCEMENTS FOR THE CUBANS.

HAVANA, March 6.—A proclamation dated at Nassau, New-Providence, and signed "Jose de Armas, Gen. Dulce's Commissioner to the Insurgents," has recently appeared. The document is full of bitter invectives against the Spanish Government, and against Dulce personally, placing that gentleman in the unenviable position of accusing himself of the most contemptible actions. Rodriguez Correa, a companion of Commissioner Armas, publishes a card to-day in the *Diario*, wherein he expresses the belief that the "proclamation" is a forgery, and saying that if it were genuine, the statements of Armas are false, and his conduct infamous. The clergy have offered the Government one-sixth of their income to defray the expenses of the war against the Insurgents. Gen. Dulce is recruiting another battalion of volunteers for active service. Two hundred pounds of powder have been found secreted in the house of a Mrs. Terry, in this city. A late Cienfuegos paper says there is plenty of blockade running into the interior at that place. Information from Puerto Principe states that the insurgent Gen. Quesada is ill with small-pox.

Señor Roberts, the Spanish Ambassador to Washington, sailed from this port to-day in the regular mail steamer for New-York. The United States war steamer Gettysburg arrived yesterday, and soon afterward sailed again. She will visit the different ports of this island. There are rumors of a serious engagement near Santi Spiritu. No particulars. At present nobody has offered to carry the political prisoners to Fernando Po. It is reported that the Government has ordered the war steamer Cadiz to transport them. The ladies of this city are collecting and subscribing large sums of money in aid of the volunteers. The *Voz de Cuba* (newspaper) to-day publishes an account of the assassination of the sleeping crew of a coaster in the Sagua Chica River by the Insurgents. Still another schooner had landed a body of Insurgents in the vicinity of Sagua. The citizens sunk the vessel to prevent their escape, and now the Government troops are marching against the parties landed.
