

THE CUBAN REVOLUTION.

GEN. BUCETA SAVED FROM THE FURY OF THE VOLUNTEERS—THEIR MURDEROUS SPIRIT.

HAVANA, June 23, via KEY WEST, June 25.—Gen. Buceta has arrived in Havana. He was hooted at Santiago, and on his arrival at Cienfuegos was only saved from the violence of the volunteers by the intercession of the Governor. He is now concealed in this city, and will be compelled to escape by stealth.

The mobilized volunteers garrisoning Matanzas recently put to death a boy named Robinson, 19 years of age, the son of a British resident. He was charged with carrying correspondence for the insurgents.

THE CINCO VILLAS—AID TO THE JUNTA.

Heavy skirmishes have taken place in the Cinco-Villas district. It is reported that 150 Cubans and 100 Spaniards have been killed in these conflicts.

It is known that large sums of money are forwarded to the United States for the purchase of war material, and to aid the Cuban Junta in fitting out expeditions.

BUCKETA'S ESCAPE TO NEW-ORLEANS—CHOLERA.

HAVANA, June 24.—Gen. Buceta, falsely reported to have been killed by his troops, has gone to New-Orleans. The cholera has broken out in Guantánamo and vicinity. There were several cases in Santiago, and the disease was reported to be raging with great severity in the interior.

MISFORTUNES OF THE SCHOONER GRAPESHOT—DEATH OF FILIBUSTERS.

About the last of May, the schooner Grapeshot landed 40 men and a portion of her cargo on the Cuban coast. While the boats were landing the men, some of the passengers on board attempted to run the vessel ashore, and a fight took place with the crew and officers, in which the Captain of the Grapeshot received a bullet in the leg. The Grapeshot finally got rid of the whole party, and, without landing all of her cargo of stores, proceeded to Turk's Island, where she received a clearance, and arrived, on the 4th inst., at Falmouth, Jamaica. The 125 packages of arms and ammunition remaining on board were seized by the Custom's officers, and the Captain abandoned the vessel. The seizure was subsequently declared illegal, and the Captain has sued the Collector of the port and others for damages.

Several filibusters of the party which landed at Battiguera were executed at Santiago.

LOYAL ACTION OF THE VOLUNTEERS.

HAVANA, June 25.—The volunteer forces have of their own free will given up the duty of garrisoning the Morro Castle and Fortress Cabanas, and will be relieved to-morrow by a naval force. They have taken this action to convince the Home Government that they had no idea of disobeying its orders, or of opposing the new Captain-General, De Rodas.

COL. ASHEY JOINING THE CUBANS.

HAVANA, via LAKE CITY, June 23.—Col. W. S. Ashby, who was leader of Gen. Wade Hampton's scouts in the late Rebellion, arrived at Nassau last Monday, on his way to Cuba.

SEN. PUELLO RELIEVED—CALL FOR RE-ENFORCEMENTS.

HAVANA, June 22, via KEY WEST, June 25.—Gen. Puello has been relieved of his command, and has arrived here. He reports that 5,000 reinforcements are needed in the Cinco-Villas district.

MORE FILIBUSTERS—THE SCHOONER LAHAVE.

Another expedition of filibusters has landed on the Southern coast.

The schooner Lahave has been released, as a British vessel, and was towed to Jamaica by her captor. Her captain claims £100 damages for each day of her detention.

THE MURDER AT MATANZAS—THE BRITISH COMMODORE.

Commodore Phillimore has gone to Matanzas to investigate the assassination of the English boy Robinson by the volunteers. The English Consul there regards the outrage as an evidence of the inability of the authorities to protect foreigners.

DEFENDING THE PORTS.

Active steps are being taken to defend Matanzas and Cardenas by Spanish cruisers.

ANOTHER ENGAGEMENT—SPANISH DEFEAT.

Advices of the 16th from Nuevitas report another engagement between Puerto del Padre and Las Tunas. The Spaniards, 800 strong, under Gen. Ferrer, were defeated, lost their convoy, and retreated to Tunas. Gen. Ferrer sent for reinforcements, and they had been forwarded.

EXTRAORDINARY MORTALITY.

HAVANA, June 25—Evening.—Reports of the extraordinary mortality of the cholera and dysentery in the ranks of the contending armies in the field are fully confirmed. Nothing is known about recent military movements, but it is supposed that all important operations have been suspended on both sides. Gen. Caballero de Rodas is expected to arrive here next Sunday.

SPANISH DEFEATS—DISEASE AND DISCONTENT.

WASHINGTON, June 25.—Important intelligence has been received from the Cuban revolutionists by their friends in this city. Since the battle of Puerto-del-Padre there have been but two unimportant engagements, in both of which the Spanish forces were defeated with the loss of over fifty in killed and wounded. In one of them the Cubans captured a provision train. The Cuban army is reported in good condition, while that of their opponents is suffering greatly from cholera and congestive fevers. Disease and discontent are proving more destructive to the Spaniards than could have been accomplished by most successful operations in the field. The commanders find it difficult to maintain any organization. The feud between the regulars and volunteers is growing more intense every day, and all hopes of a settlement seem to be at an end. The volunteers have complete control of the commanders, and outrages are being perpetrated at their instigation.

MOVEMENTS IN THIS CITY AND JERSEY CITY.

No further arrests of parties alleged to be connected with the Cuban movement have been made since those reported in yesterday morning's **TRISTE**.

It is now understood that all who were indicted have been arrested, and with the exception of Col. Ryan, have given bail or are at present in Ludlow-st. jail, where they are granted the privilege of dining at a private table, and have separate rooms to sleep in by the payment of a stipulated sum. Mr. Tracy, the Warden, is favorably spoken of by the Cubans. They have a large room on the first floor as a sitting-room, and under the circumstances, could not be more comfortable.

Marshal Barlow denies that any expedition left this port either on Wednesday or Thursday night, but does not doubt that cargoes of arms and ammunition have left this city for Cuba. A visit to Jersey City last evening disclosed nothing new or startling. At Cooper Hall everything is quiet. The two hundred and odd who are stopping there behave themselves in such a manner as not to give the authorities any cause for arresting or expelling them from the city. Last night some parties sent several kegs of lager beer to the hall.

At a very late hour last night information reached the Office of **THE TRISTE** that Captains Harris, Beaman, and Hannan, soldiers said to be engaged in enlisting recruits for the Cuban army, had been arrested by Deputy Davis, and were lodged in Ludlow-st. Jail.

It subsequently appeared that instead of arresting Capt. Harris, the Deputy secured one William H. Collett, who, at 2 a. m., was removed from the jail in a close carriage by Deputies Davis and Crowley.

To-day it is expected that all Cubans confined in Ludlow-st. Jail will be liberated on bail.
