

## FROM CUBA.

---

HAVANA, March 4.—The Government is seeking transportation to Fernando Po, for 31 political prisoners. There is great excitement among their friends, as many belong to the best families in the island. It is believed, transportation is kindness. The volunteers demand death. At Cienfuegos the news of the insurgents is favorable. There is still no sugar coming here. The insurgents are increasing in numbers; prospects are gloomy. The troops fought a battle, near Sniatit.
